Mobile No. +54 9 11 5 411 6965

Vicente Lopez, Buenos Aires
Argentina

/ ABOUT ME

I am a creative and intuitive person with a strong logical and technical side and a keen eye for innovative design; this helps me not only to come up with ideas but also to figure out the best strategy to make them happen. I am very open minded and always interested in learning new skills.

/ WORK EXPERIENCE

>> Freelance Web Developer

March 2020 | Currently

HTML & CSS programming

Complete UI design
